THREE−POOL BRACKET RESEEDING TALLY

US DDC Championship 2026 | Snapshot Nov 04, 2026 02:46 PM Eastern

Each pool retains its original overall seed slots. Award those slots by final pool finish.

Rank within each pool by W−L, then the within−pool tiebreaks. An unresolved tie needs a director decision.

Assign the lowest original seed number to the winner, the next to the runner−up, and so on. No cross−pool comparisons.

Earned seeds remain blank until each pool is complete and any ties are resolved.
